Oregon Writing Contest Win a new Apple watch!

This is a short essay contest, 250 to 450 words, to help promote the ideas of young and new Oregon writers (ages 35 & under). You get to choose one of these three topics “Understanding generational differences,” “A new idea for solving Oregon’s problems,” or “How your own personal experience shaped your political worldview.” We want to hear your ideas. Oregon cannot be better until we include the ideas and voices of all generations of voters -- which includes you!

An early summer deadline is planned. Get the contest application and details by emailing “Apple Watch Contest” to oregonwatchdog@gmail.com Questions? Call us at 503-603-9009

*Hint: Because this contest is local, we expect less than 20 entries.
So this is likely the best odds you have at winning!*

Here are some wild features expected from the new Apple watch

although not verified until it is officially released
